

PHILOSOPHY

Hawks Football players are a blend of grade 7, 8 and 9's predominately from Alexandra Middle School and Medicine Hat High School interested in developing their skills with the goal of aspiring to senior-level football achievement.

Hawks Football is committed to this athletic skill development...and beyond! We also stress citizenship-building skills and are adamant about the pursuit of excellence, encouraging every athlete to be the best that they can be...both on and off of the field.

To gain a better understanding of community dynamics, we strive for parent involvement whenever possible. We believe your child will experience enhanced character development, so that throughout their time as a Hawk, we can all be proud of their achievements on the field, attending school, and being part of the community.

Hawks Football ...a strong foundation to build on!

Head Coach: Scott Howes
Teacher, Medicine Hat High School

Home Phone: 403-528-4419

Hawks Football wants YOU!

Medicine Hat School District No. 76
"Where Kids Count"

Because our program is made up of athletes predominately from Alexandra and Hat High, it is beneficial that the Hawk head coach, Mr. Scott Howes, is a teacher at Medicine Hat High and the assistant coach, Mr. Darren Klein, teaches at Alexandra Middle School.

This allows the athletes to have contact with at least one of their coaches as needed throughout the school day as well as throughout the whole year. This contributes to the development of the **whole individual** and not just a football player!

Experience counts...our coaches have played and coached football at many levels!

Mr. Scott Howes
Head Coach

Mr. Howes started as a Receiver Coach with the Hawks, moving up to Offensive Coordinator...and then on to his current position as Head Coach. He also coached two Summer Games teams (2002, 2004) and the High School Senior Bowl team (2006). He enjoys watching the players develop through the Bantam program and contributes to the Senior High Mohawks program as the young players continue on.

Mr. Darren Klein
Assistant Coach

Following an extensive coaching background in Brooks, Coaldale and Central Alberta, Mr. Klein started as a Line Coach with the Hawks in 1998. He also served as Defensive Coordinator and Head Coach with the team prior to his current duties as Assistant Coach. In 1997, 2000 and 2008 he was part of the Sunny South coaching staff taking teams on to the Alberta Summer Games.

PLAY WITH A WINNER!

Our history of success speaks for itself...

- 1999 - B Division Finalist
- 2001 - C Division Champion
- 2002 - A Division Semi-Finalist
- 2003 - A Division Semi-Finalist
- 2005 - C Division Champion
- 2007 - A Division Rep/City Champs
- 2008 - City Champs
- 2009 - SAMFA Tier III Champion/Provincial Finalist

"Athletes that come to my program from the Hawks have the necessary tools to be successful at the High School level!"

*- Quinn Skeleton (Head Coach),
Medicine Hat High Mohawks*

- Athletes from our team have won the Rangeland Football Conference Championship EVERY YEAR!
- Athletes from our program have won the Alberta Summer Games!
- Athletes from our Program have been Provincial Champions!
- We have been represented by our athletes on both South teams and Alberta Senior Bowl Teams!
- Athletes that have participated in our program are currently playing at either the Junior or University level across Western Canada!
- Medicine Hat and Canada is represented by an athlete from our program that plays professionally in the NFL and has won a Super Bowl Championship!
